Ms. Ackley's Third Grade
5-22-24

Volume 14, Issue 25

General Housekeeping

We are hitting the last week and a half of third grade!

A few reminders: Country Posters are due this Tuesday, May 28th. The students should hopefully have their typed reports to bring home by this weekend to put onto their boards! City Storefronts are also due to school next week, Wednesday, May 29th! Students MUST have a storefront, as well as their goods to school by Thursday, May 30th to participate in any buying and selling of goods.

A note will be coming home this week with times parents can come visit to see all of the students' hard work, so be on the lookout! Thanks! Any questions about any of the projects, please reach out!

Reader's Workshop

We are finishing our module on storytelling with focuses on figurative language and theme. This will lead us into our final week's project which will be performing fable plays! More info to come!

Math

The students have continued solving word problems related to liquid volume. We will continue to explore types of measurement, specifically measuring mass later this week. We will wrap up our study on measurement at the end of this week.

Writing/ Grammar

The students have been working extremely hard this week to finish publishing their country research reports. These reports should be glued to students' country posters that they have completed at home. If your child's poster is already done, you can send it in and we can glue the report on here as well. Posters are due here next Tuesday, May 28th!

Social Studies

The students have elected government officials of our city of Ackleyville. We held a town meeting this week to determine laws for our community. City Storefronts are due to school next Wednesday, May 29th, and any goods are due on Thursday, May 30th.

Science

Students are learning about group behavior amongst animals this week. They will learn how living in groups can help animals survive.
