

Reading Log

Name: _____

Week of: _____

	Bag Book	Choice Book	Parent Initials
Monday			
Tuesday			
Wednesday			
Thursday			
Friday			
Weekend			
Totals			

* Students MUST read their Bag Book every night of the school week (Monday through Friday). Please record the minutes spent reading the Bag Book in the middle column next to the correct day.

* Second graders need to read 75 minutes a week. This works out to be 15 minutes a day 5 days a week. There is a weekend row to record minutes read on the weekend to get to 75 minutes for the week.

* Since it may not take your child 15 minutes to read their Bag Book (or the part assigned), they can read a Choice Book. This can be a book they checked out from the Library or a book you have at home. I prefer that your child is the one reading the book, but you may also record minutes you spend reading to your child. These minutes spent reading should be recorded under the Choice Book column.

* Reading Logs are due on Monday morning.
